### **Reasons for Allowance**

1. Examiner has reviewed and considered Applicants comments as indicated on pages 5 – 9 of Applicant's Appeal Brief dated 8/18/2004 and withdraws the previous rejection. Per Applicant's comments claims 1 –15, 18 – 32 and 35, are now in condition for allowance.

The following is an Examiner's statement of reasons for allowance.

The prior art of record does not teach or fairly suggest at least:

"...means for running executable to generate the data file containing definition files which are interpreted by a third party computer system for future application execution, and the third party computer system comprises a dialogue management system for a computer telephony system", as best illustrated by figure 6, in such a manner as recited in independent claims 1, 18, & 35 and as pointed out in page 5, 1<sup>st</sup> paragraph of Appellants brief.

Therefore, all claims are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
